kõva music - ravescape - estonian sabotage union - estonia

TECHNICAL:

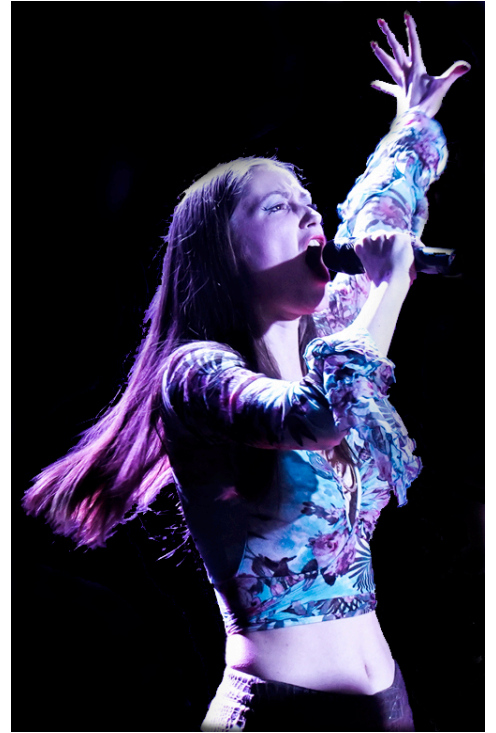

- Professional sound engineer
- 1x WIRELESS microphone
- 1x microphone stand (long enough for a standing singer)
- Pioneer DDJ-400 controller with 2 x 3,5mm RCA cable (depending on the agreement and location the artist can take her own controller)
- A table on the stage with some space for a laptop, controller and sound card
- Charging option on the stage
- 1x in-ear monitor system (artist has her own headphones)

SHOW:

The artist is playing beats from a laptop. It is important that the entire background reaches her ear monitor.

Depending on the agreement the stage should have enough space for 3 dancing people.

Light design and background visuals must be tested at the stage rehearsal and agreed with the artist.

BACKSTAGE:

- Backstage must be warm, should accommodate at least 4 people
- Full-length mirror
- Power for charging phones and computers

HOSPITALITY:

- Good snacks (chips, cookies, cheese, bread, fruits, vegetables)
- 5x carbonated water
- Vodka and juice
- Bar credit (artist doesn't drink beer)
- 1 single hotel room (nb : allergy to cats)

PLEASE CONFIRM ALL CHANGES WITH THE ARTIST IN ADVANCE!
